Press Release

Unique Broadband Systems Ltd expands in Eastern Europe.

December 1st 2010, Toronto, Canada – Unique Broadband System Ltd. (UBS), a major developer of COFDM technology and applications, is proud to announce the continued expansion of its presence in Eastern Europe.

In anticipation of up-coming contracts for the supply of digital broadcasting equipments in Ukraine, UBS has made the strategic decision to set-up an office locally in order to better serve its growing customers' base in Ukraine. For that purpose, UBS is bringing on-board Mr. Valery Nonik as UBS Ukraine Senior Representative. Valery is based in Kiev and is representing UBS in Ukraine to provide customers with key aspects of the business.

"We are excited to have Valery represent UBS in Ukraine", says David Dane, President and Chief Executive Officer of UBS. "The set-up of UBS office in Ukraine is demonstrating our commitment to provide the best local support to our customers. In collaboration with Valery, we look forward to successfully continuing our Eastern European expansion".
